Effective Date	Section 5.3

**PART 1 – Interpretations, Definitions and Application**

## Interpretations, Definitions and Application

These Regulations should be read in conjunction with Egg Farmers of Ontario’s current Egg Quota Policy and Pullet Quota Policy [Policies, Programs & Procedures Binder].

- 1.1 The following interpretations and definitions apply to all regulations, policies, programs, orders, directions and decisions made by Egg Farmers of Ontario, from time to time, unless otherwise provided by Egg Farmers of Ontario.
  - (1) “Act” means the *Farm Products Marketing Act*;
  - (2) “allocation” means the number of laying hens that provincial boards are authorized by EFC to allot as quota to its producers;
  - (3) “approved building” means a structure used for the production of the regulated product that is safe, suitable for the production and marketing of the regulated product on a year round basis, equipped with adequate heating, ventilation, feeders, waterers, cooling, handling doors and are accessible at any time by authorized industry vehicles which has been approved by the Board;
  - (4) “approved egg production facility” means an approved building or buildings used in the production or marketing of eggs and the lands appurtenant thereto that have been approved by the Board;
  - (5) “approved licensed holding facility” means building approved by the Board for the purpose of temporarily housing pullets or fowl that have not been placed and are awaiting disposal to a processing plant, or placement with a producer;
  - (6) “approved pullet facility” means building or buildings used for the production/growing of pullets and the lands appurtenant thereto as approved by the Board;
  - (7) “barn density” means the number of birds allowed per barn;
  - (8) “bio-security measures” means the process to provide protection from biological contaminants such as bacteria and viruses;
  - (9) “birds” means laying hens;
  - (10) “broker” means a person who arranges for the marketing of pullets on behalf of another person or persons in exchange for direct and indirect compensation or commission;
  - (11) “Board” means the commodity Board, Egg Farmers of Ontario;
  - (12) “books and records” includes but is not limited to all documentation, whether in printed or electronic format, in the possession, care or control of any person, relating to the production or marketing of the regulated product including all forms, settlements, cheques, bills of lading, invoices and order forms for chicks for placement, fowl or feed purchases, egg sales and hatching egg sales, fowl or pullet mortality charts, rate of lay records, flock analysis, condemnation certificates, invoices for veterinary services or reports, ledgers and books of account, transportation slips or other related documents;

- (13) “box” means a container which holds 15 dozen eggs. A box is the unit of measure used in the Canadian egg industry;
- (14) “broiler breeder producer” means any person licensed as such by the Ontario Broiler Hatching Egg and Chick Commission [OBHECC];
- (15) “buyback” means the EFC buyback value which is equal to the lesser of: provincial price + 4 cents per dozen, **or** provincial cost of production + 4 cents per dozen;
- (16) “chicks-for-placement” or pullets means female chickens nineteen weeks of age or younger, raised to lay eggs;
- (17) “chick placements” means the number of one-day-old chicks [female egg type] placed in pullet growers facilities to raise to pullets;
- (18) “commodity board” means Egg Farmers of Ontario, constituted under the *Farm Products Marketing Act*;
- (19) “Cost of Production Formula – COP” means a survey-based calculation to derive the costs [by component] of producing marketable shell eggs in each province of Canada;
- (20) “day olds” means a day old pullet (chick);
- (21) “dyed eggs” means industrial shell eggs that have been marked by grading stations with a CFIA approved edible dye to distinguish them from Grade A table eggs;
- (22) “EFC” means Egg Farmers of Canada;
- (23) “EFO” means Egg Farmers of Ontario;
- (24) “EFOOnline Portal” means the web based technology EFO uses to conduct its official business with Ontario farmers;
- (25) “EFOOnline User Agreement” is the authorization to use the EFOOnline Portal;
- (26) “egg dealer” means any person who receives, assembles, packs, ships for sale, transports, offers for sale or sells eggs produced from a producer but does not include the operator of a registered egg grading station;
- (27) “eggs” means eggs of a domestic hen produced in Ontario other than hatching eggs;
- (28) “eggs for processing - EFP” means eggs/birds allocated to supply domestic processors with eggs directly through provincial programs;
- (29) “exempt producer” means a producer who has been exempted by the Board from the requirements to hold quota;
- (30) “farm gate sales” means an egg transaction at the producer’s own farm where the eggs are produced, are clean and not leaking and are sold or offered for sale only on the farm premises to consumers for their own consumption;

- (31) “For Further Processing – FFP” means eggs which do not meet the pre-grade standards, and require further processing;
- (32) “farmer” means a producer – a person engaged in the production and marketing of chicks for placement, eggs, hatching eggs or fowl;
- (33) “fowl” means a domestic hen more than 19 weeks of age;
- (34) “free range” means a production system where hens have access to the outdoors;
- (35) “free run” means a production system where hens can roam free inside a laying house. These systems are often equipped with slatted floors, perches, and automated egg collection with occasional manure removal;
- (36) “graded product” means eggs that have been classified by weight and interior/exterior quality – XL, L, M, SM, PW, B, C, and NR;
- (37) “Grade A eggs” means the most commonly merchandised consumer grade of egg;
- (38) “Grade B eggs” means eggs that may be used for baking or the production of processed egg products;
- (39) “Grade C eggs” means eggs used in the production of processed egg products – not a consumer grade;
- (40) “grading station” means a board licensed Grader: a station at which eggs are inspected, graded, packed, marketed;
- (41) “flock placement” means the number of hens placed in the laying barn at the start of the lay cycle [19 weeks of age];
- (42) “HACCP” means Hazard Analysis and Critical Control Point [HACCP], an internationally recognized method of identifying hazards to food safety and analyzing the critical points at which those hazards can be controlled;
- (43) “HACCP certified” means farmers who have been audited and passed EFO’s HACCP guidelines;
- (44) “hatchery” means a person engaged in the hatching and sale of day olds at a place where eggs are incubated or chicks are hatched and marketed;
- (45) “hatching eggs” means eggs of a domestic hen produced in Ontario for the purpose of hatching into chicks not intended to be grown into broiler chickens or roaster chickens;
- (46) “hen – laying hen” means a mature pullet [female chicken] that is laying eggs; 19 weeks of age or older;
- (47) “hens housed” means the number of hens placed in the laying barn at the start of the lay cycle [19 weeks of age];
- (48) “housing density” means the number of birds allowed per cage based on the Recommended Code of Practice;
- (49) “in Good Standing” means an egg or pullet farmer who:

- (a) is in conformity with all EFO Regulations, Policies, Programs, Directions and decisions;
  - (b) is not in contravention of any other laws or regulations impacting the production or marketing of eggs or pullets as may be determined by the Board;
  - (c) has filed all reports and other documentation with EFO within prescribed times; and
  - (d) is current in the payment of all license fees, levies and any other amounts owing to EFO or EFC;
- (50) “independent pullet producer” means a pullet quota holder who is not an egg quota holder;
- (51) “industrial product” means product declared to EFC by provincial boards on a weekly basis that is in excess to table market requirements within the province;
- (52) “inspector” means a person holding a Certificate of Appointment from the Board pursuant to subsection 3(1)(g) and (3) of the Act and subsection 4(c) of Ontario Regulation 407 made under the Act to:
- (a) inspect books, records, documents, lands and premises and any chicks-for-placement, eggs, hatching eggs and fowl of persons engaged in producing or marketing of chicks-for-placement, eggs, hatching eggs or fowl; and
  - (b) enter on lands and premises used for the producing of chicks-for-placement, eggs, hatching eggs or fowl, and perform a count of chicks-for-placement, eggs, hatching eggs, or fowl therein;
- (53) “intraprovincial movement” means the transport of shell eggs within a province;
- (54) “interprovincial movement” means the transport of shell eggs between provinces;
- (55) “integrated hen order” – digital work flow used by EFO to send allotments to layer farmers for their acceptance, and for hatcheries to complete the contracting process with pullet growers;
- (56) “inventory” means the total allowable birds in the barn on any given day;
- (57) “issuance” means bird quota which a provincial board has fixed and allotted to its producers;
- (58) “layer” “laying hen” means fowl;
- (59) “leakers [rejects]” means eggs that have a crack or break in the shell and membranes to the extent that the egg contents are exposed or are exuding or free to exude through the shell;
- (60) “levy and license fee” means each producer pays a license fee or levy on every dozen eggs sold and these funds are used to support the activities of the Ontario and Canadian egg system. Under the *Commodity Boards and Marketing Agencies Act*, EFO has the authority to fix and impose levies and to collect them from persons engaged in the production of eggs in Ontario;
- (61) “licensed egg dealer” means a person who is licensed by the Board under the Act to receive ungraded eggs from a producer and to assemble, pack, sell, offer for sale, ship and transport the eggs;
- (62) “Local Board” means Egg Farmers of Ontario;

- (63) “marketing” includes advertising, assembling, buying, financing, offering for sale, packing, processing, selling, shipping, storing and transporting [“market” and “marketed” have corresponding meanings];
- (64) “marketing’s” [Syn: - grading’s] means graded product, reported weekly by size/grade – in boxes. Grading’s are classified as XL, L, M, S, PeeWee, B&C’s;
- (65) “monies payable/remittances/filing” means where any monies payable, remittances or filing are due on a Friday, which is a holiday, the monies payable, remittances or filing are due on the immediately preceding day, which is not a holiday;
- (66) “moulting” means a naturally occurring life-cycle change that occurs to hens during the fall. The reproduction system shuts down and the birds often lose feathers. It lasts about 6 weeks. Moulting can be artificially induced by controlling day length [lighting] and restricting feed intake;
- (67) “national rate of lay” means the dozens of eggs laid per hen annually, as determined by Egg Farmers of Canada;
- (68) “non-quota producer” means a producer that has been exempted from the requirement to hold quota – a producer with generally less than 100 hens;
- (69) “OBHECC” means the Ontario Broiler Hatching Egg and Chick Commission;
- (70) “office” means the office of the Board, 7195 Millcreek Drive, Mississauga, Ontario L5N 4H1;
- (71) “OFPMC” means the Ontario Farm Products Marketing Commission;
- (72) “OMAFRA” means the Ontario Ministry of Agriculture, Food and Rural Affairs;
- (73) “organic” means a method of production, which maintains as much as possible the natural state of production;
- (74) “organic egg production” means an egg production system in which hens are typically fed a diet of organic feed, grown without hormones and antibiotics and in free range conditions. To carry the label ‘certified organic’, production must be certified by an independent third party, adhering to the minimum standards set by the National Standard of Canada for Organic Agriculture;
- (75) “owner” means the beneficial owner of the registered premises;
- (76) “person” means an individual, sole proprietorship, partnership, unincorporated association, unincorporated syndicate, unincorporated organization, trust, body corporate or natural person in his or her capacity as trustee, executor, administrator or other legal representative;
- (77) “placed” means the transfer of pullets into a pullet facility or into an egg production facility;
- (78) “processed product” means eggs altered from the original raw shall form: liquid, frozen, dried [whole or parts];
- (79) “producer” means a person engaged in the production of chicks-for-placement, eggs, hatching eggs or fowl;

- (80) “producer/grader” means any producer who produces, grades and markets, offers for sale, sells, stores or transports all or any portion of eggs produced by that person;
- (81) “producer prices” means farm gate value of eggs received by producers for all grades and sizes they produce. These prices are set by the provincial boards;
- (82) “producing” includes:
- (a) in the case of chicks-for-placement, the provision of housing, feed, water, or care thereof and the preparation therefor for sale or for use as fowl;
  - (b) in the case of eggs and hatching eggs, the provision of housing, feed, water, or care for the fowl that lay such eggs or hatching eggs and the preparation of the eggs or hatching eggs for sale or for hatching, as the case may be;
- (83) “pullet dealer” means a person who markets or acts as a broker for the marketing of pullets and includes a hatchery that markets pullets other than day olds;
- (84) “pullet producer/grower” means a person engaged in the production/growing of pullets;
- (85) “pullets” or chicks-for-placement means female chickens 19 weeks of age or younger raised to lay eggs;
- (86) “quota” is fixed and allotted by the Board to a producer in respect of registered premises and authorizes the producing and marketing of the regulated product as specified in the quota, and includes:
- (a) Egg Quota: a quota for producing and a quota for marketing the maximum number of eggs that the quota holder is entitled to market;
  - (b) Fowl Quota: a quota for possessing the maximum number of fowl that the quota holder is entitled to possess;
  - (c) Pullet Quota: a quota for the production of pullets;
- (87) “quota holder” means a producer to whom a quota has been fixed and allotted;
- (88) “registered egg grading station” means an egg grading station registered as such with the Canadian Food Inspection Agency;
- (89) “registered premises” means the lands and buildings appurtenant thereto in respect of which the Board has fixed and allotted quota;
- (90) “regulated product” means chicks-for-placement, fowl, eggs or hatching eggs or any part thereof;
- (91) “reject egg” means an egg that has been examined at a grading station and determined not to meet the requirements for any grade designation under the Federal Egg Regulations;
- (92) “schedule 1” is a list of exempt producers permitted to possess between 100 and 499 hens pursuant to an exemption contained within this regulation [maintained at the Board office];
- (93) “schedule 2” is a list of exempt grading stations that were registered on the 8<sup>th</sup> day of May, 1996 pursuant to an exemption contained within this regulation [maintained at the Board office];

- (94) “S.e.” means *Salmonella enteritidis*;
- (95) “research flock” means a flock maintained for the purpose of conducting research efforts of value to the industry, i.e.: genetic advancement, pharmaceutical production, etc;
- (96) “*Salmonella enteritidis*” means a specific kind of salmonella bacteria belonging to Group D which can be transferred from a hen’s ovary to the inside of an egg and can cause illness;
- (97) “special presentation” involves a producer requesting special individual consideration of the Board’s Policies or Regulations. Transactions that appear to contravene the intent of EFO’s Policies will be reviewed by the Board of Directors and may be denied;
- (98) “spent hen” means a breeder or commercial type egg hen that no longer performs at desired production levels – typically after 72 weeks of age;
- (99) “supply management” means a system of orderly marketing that confers the ability to establish production and quotas through legislative authority;
- (100) “table disappearance” means a weekly estimate of consumer shell egg purchases, derived from domestic Grade A supply, nest-run product, Grade A imports and sales to breakers;
- (101) “tray” means 2.5 dozen eggs- packaged in plastic or fibre;
- (102) “transfer” means a change in the allottees of quota including a sale or purchase of quota;
- (103) “prorate” means to calculate or distribute proportionally;
- (104) “ungraded eggs” means eggs that have not been examined or graded at an egg grading station under the Federal Egg Regulations; sized or classified by grade;
- (105) “Urner Barry Price” means the US price quote for Central US 48-50 lb / case nest-run breaking stock that is used to determine Canadian breaker prices;
- (106) “value added product” means a term used when a product has value added to it through progressive stages of processing.
- 1.2 These Regulations provide for the control and regulation in any or all respects of the producing and marketing within Ontario of pullets or chicks-for-placement, eggs, hatching eggs and fowl, including the prohibition of such producing and marketing in whole or in part.

**PART 2 – Eggs**

## Marketing of Eggs

- 2.1 Eggs shall be marketed on a quota basis.
- 2.2 No person to whom a quota has not been fixed and allotted for the marketing of eggs or whose quota has been cancelled, shall market any eggs.
- 2.3 No person to whom a quota has been fixed and allotted for the marketing of eggs shall market any eggs in excess of such quota.
- 2.4 No person shall buy any eggs from any person to whom the Board has not fixed and allotted quota for the marketing of the eggs or whose quota has been cancelled.
- 2.5 No person shall process, pack or package any eggs that have not been sold by or through the Board.
- 2.6 No person other than a registered egg grading station or a licensed egg dealer shall receive, assemble, grade, pack, ship for sale, transport, offer for sale or sell eggs purchased from a producer.
- 2.7 No eggs shall be marketed by a producer except:
  - (i) pursuant to a quota fixed and allotted to that producer by the Board;
  - (ii) from fowl possessed by that producer pursuant to a quota fixed and allotted to that producer by the Board;
  - (iii) from the registered premises.
- 2.8 No eggs shall be marketed by a producer except:
  - (i) to a registered egg grading station;
  - (ii) to a licensed egg dealer; or
  - (iii) where the eggs are produced on the producer's own farm, the eggs are clean and not leaking and are sold or offered for sale only on the farm premises to consumers for their personal consumption.
- 2.9 No eggs shall be marketed by an exempt producer except:
  - (i) to the extent and in accordance with the terms and conditions of the exemption granted to that producer by the Board; and
  - (ii) from the lands and premises of the producer in respect of which the exemption from quota has been granted by the Board.
- 2.10 No eggs shall be marketed by a producer except in compliance with the Food Safety and Quality Act and regulations thereunder.
- 2.11 No eggs shall be marketed by a producer,
  - (i) which have not been reported to the Board;
  - (ii) in respect of which license fees and levies have not been remitted to the Board.

## Possession of Fowl

- 2.12 All fowl shall be possessed on a quota basis.
- 2.13 No person to whom quota has not been fixed and allotted for the possession of fowl or whose quota has been cancelled shall possess any fowl.
- 2.14 No person to whom a quota has been fixed and allotted for possessing fowl shall possess any fowl in excess of such quota.
- 2.15 No person shall possess fowl in any premises other than an approved egg production facility and in respect of which a quota for possessing fowl has been fixed and allotted to such person.
- 2.16 Every producer to whom the Board has fixed and allotted a quota for the possession of fowl is deemed to have been fixed and allotted a production quota and a quota for the marketing of all of the eggs produced by such fowl.

## Exemption

- 2.17 An exempt producer may possess up to a maximum of 100 fowl without a quota, provided:
  - (i) the person is either one or more of the beneficial owners or one or more of the tenants of the lands and premises on which said fowl are possessed;
  - (ii) no other fowl are possessed by anyone on the same lands and premises; and
  - (iii) the person is in Good Standing with the Board.

- 2.18 All exempt producers listed on Schedule 1 may possess up to a maximum of 500 fowl without quota provided that they:
- (i) make an application to the Board for an exempt permit file number and commercial fowl production permit relating to no more than the number of fowl possessed on the lands and premises in the previous calendar year; and
  - (ii) provide adequate facilities for the proper housing and care of fowl and the production and marketing of eggs in accordance with the Food Safety and Quality Act.
- 2.19 The 500 fowl exemption provided for in section 2.18 does not apply where:
- (i) the person claiming the exemption, either alone or by or through one or more tenants of said person, has failed to be in continuous production for a period of more than one year for bona fide commercial purposes as determined by the Board;
  - (ii) there is any change in the beneficial ownership of the lands and premises on which the 500 fowl or less are possessed;
  - (iii) other fowl are possessed by anyone on the same lands and premises; or
  - (iv) the person is in contravention of the Act, the Food Safety and Quality Act or not in Good Standing with the Board.
- 2.20 A person who can establish to the satisfaction of the Board that they were in possession of more than 100 fowl but less than 500 fowl on or before the 5<sup>th</sup> day of July, 1983 and also meet the following requirements:
- (i) have been in continuous possession of 500 fowl or less for bona fide purposes;
  - (ii) satisfy the Board that the beneficial ownership of the premises on which the 500 fowl or less have been produced has not changed during the period of time in question, and;
  - (iii) satisfy the Board that no other fowl are present on the premises,
- may apply to the Board for an exemption from the quota requirements regarding amalgamation of quota and exemption as determined by the Board.
- 2.21 Where the Board grants an exemption under section 2.20 that producer shall be added to Schedule 1, on file at the office of the Board.
- 2.22 The Board may remove a producer from Schedule 1 and cancel an exemption under section 2.18, 2.19 or 2.20 where, after a Hearing, the Board has determined that the producer has contravened any of the Act, the Food Safety and Quality Act, or is not in Good Standing with the Board, or is no longer engaged in the possession of fowl for bona fide commercial purposes.

#### Marketing of Hatching Eggs

- 2.23 No person engaged in the production of hatching eggs for use in the production of chicken shall commence or continue to engage in the marketing of any such eggs for any purpose other than for use in the production of chicken, except under the authority of a license to market hatching eggs from the Board in Form GR-MHE 2.23.
- 2.24 Any person licensed by OBHECC to engage in the production of hatching eggs for use in the production of chicken may apply to the Board for a license to market hatching eggs in Form GR-MHE 2.24.
- 2.25 A license in Form GR-MHE 2.24 is issued for the marketing of a specified number of dozens of hatching eggs produced at a specified egg production premises and lands appurtenant thereto.
- 2.26 A license for the marketing of hatching eggs is issued on a renewable one [1] year term from the date on which the license was issued, unless revoked prior thereto by the Board.
- 2.27 No person shall buy any hatching eggs from any person to whom the Board has not issued a license to market hatching eggs or whose license has been suspended or revoked.
- 2.28 No person shall possess, pack or package any hatching eggs that have not been sold by or through the Board.
- 2.29 No person other than a registered egg grading station or a licensed egg dealer shall receive, assemble, grade, pack, ship for sale, transport, offer for sale or sell hatching eggs purchased from a producer.

- 2.30 No hatching eggs shall be marketed by a producer except in compliance with the Food Safety & Quality Act and regulations thereunder and except:
- (i) pursuant to a license in Form GR-MHE 2.24 issued by the Board;
  - (ii) to a registered egg grading station; or
  - (iii) to an egg dealer licensed as such by the Board; or
  - (iv) where the hatching eggs are produced on the producer's own farm, the hatching eggs are clean and not leaking and are sold or offered for sale only on the farm premises to consumers for their own consumption.
- 2.31 No hatching eggs shall be marketed by a producer:
- (i) which have not been reported to the Board; and
  - (ii) in respect of which license fees and levies have not been remitted to the Board.

#### Deemed License as a Producer

- 2.32 No person shall commence or continue to engage in the production or marketing of eggs except under the authority of a license as a producer of eggs issued by the Board.
- 2.33 Every producer while not in default of payment of the license fees and levies required to be paid to the Board and whose license has not been refused, suspended, cancelled or revoked shall be deemed to be the holder of a license.
- 2.34 The Board may refuse to grant or renew, or may suspend or revoke a license as a producer of eggs where:
- (i) the applicant or licensee is not qualified by experience, financial responsibility and equipment to engage in properly the business for which the application was made or the license granted;
  - (ii) the applicant or licensee has failed to comply with or has contravened any provisions of the Act, regulations, orders, directions or policies of the OFPMC or the Board, or for any other reason the Board considers proper

#### Producer License Fees and Levies

- 2.35 Every producer shall pay to the Board on account of the annual license fee determined under section 2.37, 2.60 cents for each dozen of eggs marketed by that producer.
- 2.36 Every producer shall, in addition to the payments on account of the annual license fee under Section 2.35, 2.37, and 2.39 pay to the Board on account of levies such amounts as are prescribed by the Board by regulation under the Commodity Boards and Marketing Agencies Act as amended from time to time.
- 2.37 Every producer, except an exempt producer, shall pay to the Board an annual license fee for the immediately preceding year, determined by
- (i) subject to section 2.36, multiplying a number equal to the maximum number of fowl the producer is authorized to possess under the fowl quota fixed and allotted to that producer by the national rate of lay;
  - (ii) multiplying the resultant number by 2.60 cents; and
  - (iii) subtracting from that amount, an amount equal to the payments made by that producer to the Board during that year on account of the license fee pursuant to section 2.38.
- 2.38 The annual license fee determined under section 2.40 shall be adjusted by the Board to reflect any changes in the fowl quota fixed and allotted to the producer during that year.
- 2.39 Every producer shall pay to the Board at its office on or before the 31<sup>st</sup> day of January in each year any balance of the annual license fee determined by the Board in accordance with section 2.37 and as set out in the producer notice, from the Board.
- 2.40 Any registered egg grading station which receives eggs from a producer, exempt producer, or a dealer, shall deduct from the monies payable for the eggs any amounts payable by the producer to the Board and EFC on account of the annual license fees and levies and forward same to the Board at its office not later than ten (10) days from the last day of the week in which the eggs were received by that registered egg grading station.
- 2.41 Where eggs are not received by a registered egg grading station the payment required to be made under section 2.35 and section 2.36 shall be made by the producer to the Board at its office not later than 10 days from the last day of the week in which the eggs were marketed.

- 2.42 Every egg grading station which receives eggs from a producer, exempt producer or dealer, shall upon notice to do so by the Board, deduct from any monies payable to that producer for eggs any amount owing to the Board and forward same to the Board at its office by not later than 10 days from the date of the notice to do so from the Board.

**Over Quota Levies & Penalties**

- 2.43 Every producer to whom the commodity Board has fixed and allotted a quota for the possession of fowl shall pay to the commodity Board a levy of \$2.00 per week per fowl in excess of quota fixed and allotted by the commodity Board. In addition to the over quota levy, a producer may be subject to a penalty in accordance with EFO's Egg Quota Policy and EFO's Pullet Quota Policy.
- 2.44 Every producer to whom the commodity Board has not fixed and allotted a quota for the possession of fowl shall pay to the commodity Board a levy of \$2.00 for each fowl possessed by that producer in any week.
- 2.45 Every producer to whom a production quota has been fixed and allotted by the commodity Board shall pay to the commodity Board, in addition to license fees imposed under the Act, over quota fees [in excess of production fixed and allotted] as determined under the above section 2.37.
- 2.46 Every producer to whom a production quota has not been fixed and allotted by the commodity Board shall pay to the commodity Board, in addition to the license fees imposed under the Act, levies at the current rate on production.
- 2.47 Any person who receives eggs shall deduct from the monies payable for the eggs any levies or charges payable to the commodity Board by the person from whom the eggs were received and shall forward same to the commodity Board at its office within ten (10) days from the last day of the week.
- 2.48 Every producer shall pay to the commodity Board at its office any levies payable by the producer in respect of fowl possessed or eggs produced in excess of the quota by the producer in any week that were not deducted and forwarded to the commodity Board by the person who received the eggs from the producer not later than thirty (30) days after written request therefore has been made by the commodity Board.

**Overdue License Fees and Levies**

- 2.49 Every producer shall pay to the Board at its office any license fees or levies payable by the producer in respect of eggs marketed by the producer which have not been forwarded to the Board by the person who received the eggs within ten (10) days from the date on which the Board has sent an invoice to the producer by email.
- 2.50 Interest at the rate of two (2%) percent per month shall apply to any license fees and levies outstanding after the date on which such license fees and levies should have been paid to the Board.
- 2.51 The Board may recover any license fees and levies payable to it by suit in a court of competent jurisdiction.

**Producer Marketing Information**

- 2.52 Every producer who markets eggs other than to a registered egg grading station shall for each month in respect of such eggs complete and enter on the EFO Online Portal a Producer Marketing Report in Form PMR-2006, showing with respect to the month, eggs sold by that producer in the month to other than a registered egg grading station identifying the number of eggs sold, not later than ten [10] days from the last day of the month.
- 2.53 Exempt grading stations listed on Schedule 2, on file at the office of the Board, are exempt from section 2.47 and shall complete and enter on the EFO Online Portal not later than the tenth (10<sup>th</sup>) day of each month, a Monthly Grading Summary in Form GR-PMI-2.53 showing the quantity of eggs graded by that producer of the immediately preceding month.

**Licensed Egg Dealer**

- 2.54 No person shall commence or continue to act as an egg dealer except under the authority of a Dealer License in Form DL-2006.
- 2.55 No Dealer License shall be issued except upon application in Form ADL-2006.
- 2.56 A Dealer License is non-transferable.

- 2.57 A Dealer License expires upon the earlier of:
- (i) the person ceasing to act as an egg dealer;
  - (ii) December 31<sup>st</sup> following the date on which the license was issued;
  - (iii) upon revocation by the Board.

**Egg Dealer Information**

- 2.58 Every egg dealer shall, for each week, complete and enter on the EFO Online Portal a Weekly Dealer Report in Form WDR-2006, not later than the Friday of the following week, including:
- (i) each person from whom the egg dealer received eggs in the week and that person's address;
  - (ii) the number of dozens of eggs received from each person identified in section 2.58 (i);
  - (iii) the person who graded the eggs received in the week and the number of dozens of eggs graded by each such person in the week;
  - (iv) a "nil eggs received report" where no eggs were received in the week.

**Registered Egg Grading Station Information Returns**

- 2.59 Every registered egg grading station, except those listed on Schedule 2, shall for each week complete and enter on the EFO Online Portal, not later than Friday of each week, a Grading Summary in Form GS-2006 for all eggs received from each producer and exempt producer.

**PART 3 – Pullets**

## Quotas for the Production of Pullets

- 3.1 All pullets shall be produced on a quota basis.
- 3.2 No person to whom a quota has not been fixed and allotted a pullet quota or whose quota has been cancelled shall produce any pullets.
- 3.3 No person to whom a pullet quota has been fixed and allotted shall produce any pullets in excess of such quota.
- 3.4 No person shall produce pullets in premises other than in the pullet facility or an approved pullet holding facility and in respect of which the pullet quota has been fixed and allotted to such person.

## Exemption

- 3.5 A person who qualifies for an exemption from quota and also satisfies the conditions of section 3.6 may produce for placement at their approved pullet facility:
  - (i) not more than 100 pullets in any calendar year without a quota; or
  - (ii) not more than 500 pullets in any calendar year where that person has continuously produced pullets since before December 31, 1996.
- 3.6 It is a condition of every exemption under section 3.5 that,
  - (i) the person is either one or more of the beneficial owners or one or more of the tenants of the pullet facility;
  - (ii) no other pullets are produced by any other person at the same pullet facility; and
  - (iii) the person is in Good Standing with the Board.
- 3.7 The 500 exemption under section 3.5 (ii) does not apply where the person claiming the exemption, either alone or by or through one or more tenants of said person, has ceased for a period of more than one calendar year to produce pullets in the pullet facility in respect of which the exemption was claimed.
- 3.8 The Board may cancel any exemption granted under the foregoing where, after a Hearing, the Board determines that the producer has contravened the Food Safety and Quality Act, is not in Good Standing with the Board, or has ceased to produce pullets.

## Egg Producer Pullet Information

- 3.9 Every egg producer shall signify their allotment on the EFOne Portal 38 weeks in advance (or sooner) of laying hens being placed in their layer barn(s).

## Pullet Grower Information

- 3.10 [i] Every pullet grower shall complete, sign, certify as true and accurate and enter on the EFOne Portal a Pullet Grower Day-Old Report, within ten (10) business days following the last placement.
- [ii] Every pullet grower shall complete, certify as true and accurate, and enter on the EFOne Portal a 2 Week Old Pullet Mortality Report, within ten (10) business days following those pullets reaching the age of 2 weeks
- [iii] Every pullet grower shall complete, certify as true and accurate, and enter on the EFOne Portal a 10 Week Old Pullet Mortality Report, within ten (10) business days following those pullets reaching the age of 10 weeks.
- [iv] Every pullet grower shall complete, certify as true and accurate, and enter on the EFOne Portal a 19 Week Old Pullet Report, within ten (10) business days following the last date of the transfer of pullets from the pullet facility.

## Hatchery Information

- 3.11 Every hatchery shall complete the Integrated Hen Order in the prescribed time frames outlined in EFO Flock Allotment Policy.
- 3.12 Every pullet dealer and every approved holding facility shall complete, certify as true and accurate, and file with the Board at its office, a Pullet Marketing Report in Form PMR-1 for each week and where no pullets are marketed in that week report a zero pullet marketing, for each week, not later than the first Friday following the week.

**Pullet Broker or Dealer Information**

- 3.13 Every broker or dealer shall, for each week, complete and file with the Board, a Pullet Broker/Dealer Report in Form GR-BDI-3.14, not later than the Friday of the following week:
- (i) each pullet facility from which the pullet broker or dealer received pullets in the week;
  - (ii) the name of the egg producer, approved holding facility or exempt producer who receives the pullets in the week and the number of pullets received by each such person in the week.

Disclaimer: EFO is currently digitalizing many of its manual paper based processes leveraging the EFOOnline Portal web based reporting tools. Some references to use of EFOOnline anticipate implementation at a future date and current reporting processes are to be maintained until that development work is completed.

**PART 4 – Enforcement**

## Seizure, Detention Release and Disposal

- 4.1 This section provides for the seizure, detention, release and disposal of the whole or any part of any chicks-for-placement, eggs, hatching eggs or fowl or any class, variety, grade or size thereof.
- 4.2 Where an inspector believes, on reasonable grounds, that an offence against the Act or Regulations has been committed in respect of chicks-for-placement, eggs, hatching eggs or fowl, then the inspector may seize and detain the whole or any part of the chicks-for-placement, eggs, hatching eggs or fowl or any class, variety, grade or size thereof.
- 4.3 The Board may release from detention the whole or any part of the chicks-for-placement, eggs, hatching eggs or fowl, or any class, variety, grade or size thereof, where it is satisfied that the owner of same complies with the Act and Regulations respecting the chicks-for-placement, eggs, hatching eggs or fowl.
- 4.4 The Board may dispose of the whole or any part of the chicks-for-placement, eggs, hatching eggs or fowl and any class, variety, grade or size thereof that has been seized and detained.
- 4.5 The monies derived from any disposal of the whole or any part of the chicks-for-placement, eggs, hatching eggs or fowl shall be applied consecutively:
  - (i) to all expenses incurred in seizing, detaining, preparing for disposition and disposing of the chicks-for-placement, eggs, hatching eggs or fowl;
  - (ii) to any license fees, levies, charges or monies together with interest thereon owing by the producer or owner, as the case may be, to the Board or EFC together with all costs and expenses incurred by the Board and the collection of same;and with the balance, if any, being remitted to the producer or owner, as the case may be.

## License Suspension, Revocation

- 4.6 The Board may suspend or revoke or refuse to grant or renew a license where the applicant or licensee is not qualified by experience, financial responsibility and equipment to engage properly in the business for which the application was made or where the person is not in Good Standing with the Board.

**PART 5 – General**

## Revocation

- 5.1 The Regulations of the Board dated November 1, 2012 (amended February 2017) hereto are revoked and these Regulations are substituted therefore, provided that such revocation shall not affect the previous effect of any of said Regulations or anything duly done or suffered there under, or any right, privilege, obligations or liability acquired, accrued, accruing or incurred under same, or any offence committed or any penalty, forfeiture or punishment incurred in respect thereof or any investigation, legal proceeding or remedy in respect of any such right, privilege, obligation, liability, penalty, forfeiture or punishment.

## Schedules

- 5.2 The following Schedules and Forms are part of these Regulations.

*Schedules*

- Schedule 1 Exempt Producers (on file at the Board office)  
 Schedule 2 Exempt Grading Stations (on file at the Board office)
