| CALCULATION OF QUOTA CREDIT (office use only) | | | | | | |
| # Days Empty [less 7 days] | X | Disposed Birds [disposal receipt] | Less Program Birds | ÷ | # of days in flock cycle where birds will be placed | Number of Credit Birds |
| | | | | | | |

- If Quota Credit birds are in production longer than originally applied for, then the difference between the original credit calculation and the actual credit calculation will be applied as a deduction (reverse quota credit) on the next flock placement. If there is a balance remaining on the Quota Credit, the difference will be deducted from the total remaining credits.
