STEPHANIE NANNE, EGG FARMER | PERTH, ON

*Steph Nanne*

When you cook or bake with eggs from your grocery store, they are high quality and come from the farm to your store in only 4 to 7 days. That's fresh!

All eggs in Ontario are graded to the same Canada Grade A standard for quality, freshness and cleanliness. Look for cartons with the Canada Grade A maple leaf symbol to ensure you are purchasing Canadian eggs. You will be supporting one of the over 400 egg farm families in Ontario.

A variety of eggs are available, whether you prefer classic white or brown, Omega-3, organic, free run or free range. No matter the eggs you choose to buy, rest assured eggs in your local grocery store are from local farms.

Since eggs contain 14 essential nutrients and only 70 calories, eggs are goodness you can count on.

## RECIPE

Each little pouch is stuffed with delicately flavoured eggs and smoked salmon, making a perfect bite-sized morsel.

**SERVES:**

24 pouches

**PREP TIME:**

5 minutes

**COOK TIME:**

15 minutes

**INGREDIENTS**

- 1 tbsp (15 mL) butter
- 1 small shallot, minced
- 4 eggs
- ¼ cup (60 mL) herb and garlic cream cheese
- 2 oz (60 g) smoked salmon, finely chopped
- 1 tsp (15 mL) chopped fresh chives *\*optional*
- 6 sheets phyllo pastry
- ⅓ cup (75 mL) butter, melted

**DIRECTIONS**

In a non-stick skillet, melt butter over medium heat and cook shallot for 2 minutes or until softened and starting to brown. In a bowl, beat eggs. Pour into skillet and cook, stirring gently forming large curds from the outside edge of pan into the centre. Stir in cream cheese until melted. Remove from heat and stir in smoked salmon and chopped chives; set aside to cool.

Meanwhile, place one sheet of phyllo on work surface; brush with butter. Repeat with second and third sheets. Cut into 12 squares. Place 1 tbsp (15 mL) of the filling in centre of each square. Bring up corners, pinching above filling to secure, twisting slightly to seal. Repeat with remaining phyllo and filling to make another 12 pouches. Place pouches in single layer on a parchment paper lined baking sheet. Bake in 400°F (200°C) oven for about 10 minutes or until golden. Let cool slightly before serving.
