How many eggs are there in a dozen?

2

9

**Q:**  
How many eggs a day does a hen lay?

8

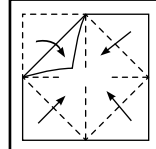

**Q:**  
Where does a farmer store their eggs to keep them fresh while waiting for the egg truck?

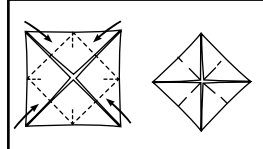

1

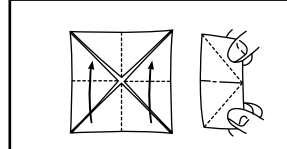

Cut here to make your paper square.

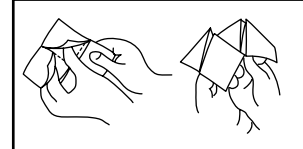

Start on plain side. Fold outside corners in to middle. This will reveal numbers 1-9.

Turn square over. Fold new outside corners in to the middle. This will reveal the numbers again.

Fold top edge to bottom edge. Crease along middle. Open back up. Fold one side to other side. Crease along middle. Open back up.

Turn square over to plain side. Put your thumbs and pointer fingers into the four pockets on back. Colour and then play the game.

- How To Play:**
- Pick a friend to play. Ask his or her age. Open and close the pop-up that number of times.
  - Have the player pick a number revealed within the pop-up. Open and close the pop-up that number of times.
  - Have the player pick one last number. Flip open that number chosen and give the number!
